Digital Music Instrument Design w/ Makey Makey & Scratch

Thursday, 3/19 7:30am - 8:45am

**'Iolani School
FabLab & Digital Media Center
March 18th & 19th, 2015**

These workshops are designed for elementary, middle, and high school level and will provide educators with an introduction to integrating electronics and simple programming into the curriculum. Several workshops will be offered on Wednesday and one will be offered on Thursday. Most workshops will be held in 'Iolani School's brand new Lower School FabLab. All workshops are FREE and open to all educators! Seats are limited.
