S.P.A.R.C. is a 1-day institute providing participants with the knowledge needed to prepare young people to develop hardiness skills to meet personal and professional goals through identification of their sparks and interests while developing a growth mindset.

Learning Outcomes:

- Learn what it means to thrive and understand the role of caring adults in helping children reach their full potential.
- Interpret current research on thriving and examine a specific four-step process to help adults support youth.
- Network with colleagues to develop strategies for promoting thriving attributes in children and youth.
