ONGOING SUPPORT AND GUIDANCE

In response to the increasing complexities that schools face scaling digital learning, CDW•G has created a K-12-specific Education Strategy Team. CDW•G's team of former educators exists to better serve the evolving needs of our customers. CDW•G recognizes that educational leaders are dealing with unique challenges and opportunities that will shape educational outcomes for years to come.

THE K-12 EDUCATION STRATEGY TEAM

Collective Ongoing and Previous Experience:

- Chief Information Officer
- Certified Project Management Professional
- Google Certified Trainers
- Google Certified Educators
- Google Apps Certified Administrator
- Google Apps Certified Deployment Specialist
- Graduate School Adjunct Professor
- Instructional Technologist
- Learning Environment Advisor
- Microsoft Innovative Educator Trainer
- Microsoft Expert Educator
- Classroom Teacher
- Developmental Reading Specialist

RESEARCH-BASED STRATEGIES CDW•G's team consisting of former teachers, principals, CTOs and certified superintendents has analyzed research from multiple experts in the education technology industry such as ISTE, CoSN, and the One-to-One Institute (The Project Red Report) in order to develop an internal tool for guiding school districts through curriculum, professional development and device implementations.

Our sincere hope is that you will take advantage of our team's experience and expertise in the strategic planning, implementation, and management of your major educational technology initiatives.
